*American Society of Embalmers is a not-for-profit  
association under the IRS 501 (c) 3 law.*

## Our Goals:

### 1) **Establish and Promote Education Standards**

Through programs of continuing education with members of the funeral profession

To promote better educational levels of practice in mortuary colleges

### 2) **Establish and Promote Ethical Standards in the Fields of Mortuary Arts and Sciences**

Between colleagues in funeral service and with the public

To improve the skills of the licensed practitioner

Strive for an overall improvement in the quality of preparation work

### 3) **Establish and Encourage Life-long Learning**

For continuing improvement of operative techniques

For improvement in product performance

For a better understanding of the preservative process

For a better understanding of the real and potential health issues of the embalmer

For a better understanding of the personal and social values of the funeral

## Our Mission Statement

*To promote excellence in the 21st century practice of the mortuary arts and sciences.*
